The Torch

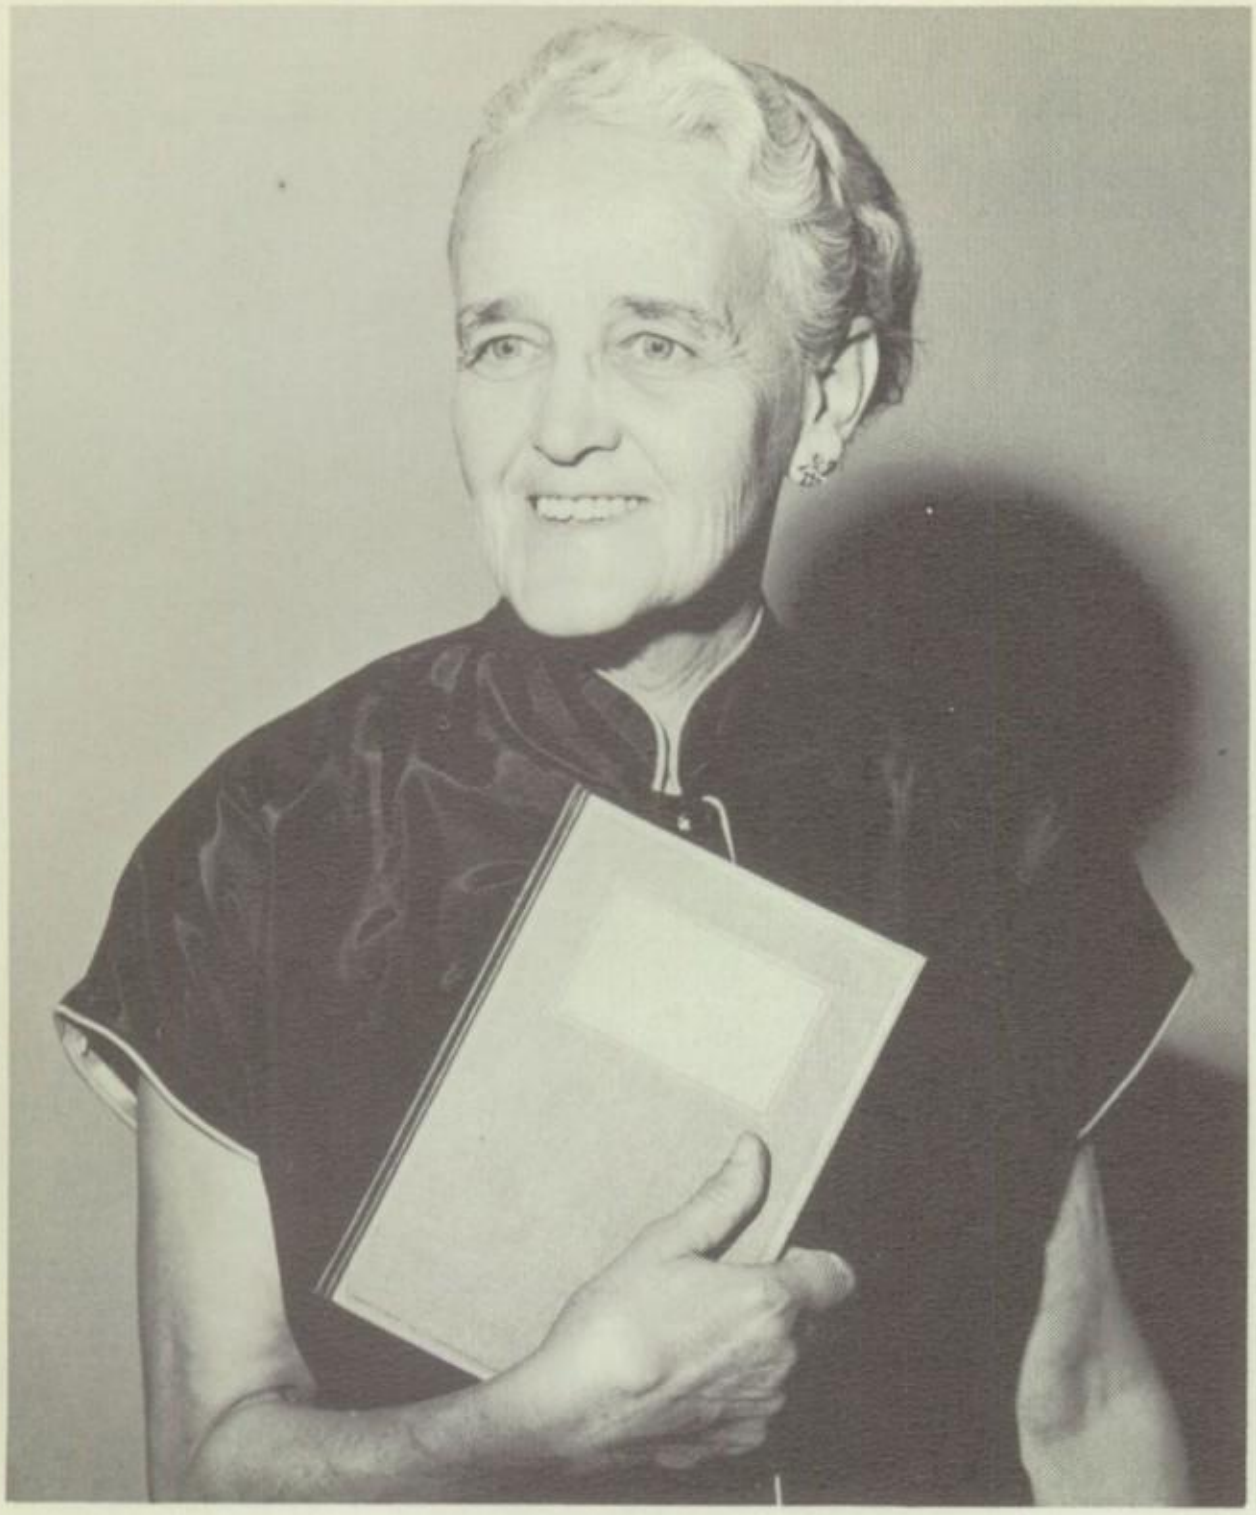
1957

Dedication



The Senior class, as well as the entire school body and community wish to express our gratitude for all she has done for us in the past 29 years. Both as a mother and as a teacher she had guided young people and helped them establish a foundation of Christian principales. In recent years her leadership abilities have been demonstrated as she efficiently assumed the responsibilities of principal of the Grade School. Her interest in youth and many services to the school will always be remembered by all.

To you Mrs. Roos, we, the Senior Class gratefully dedicate the Torch of 1957.

The Board of Trustees takes this opportunity to extend its hearty congratulations to the members of the fifth graduating class of the Denver Christian High School. We want you to know that we are proud of you, for you are the product of our finest effort. We want you to know too, that we are hopeful of you. The torch we now hold must soon pass to your hands, and we rest assured that you will carry it higher, farther, and with greater dignity. We hope that in coming years you will make an effort to appraise this institution critically, and give us the benefit of your criticism. Finally, we want you to know that we are trustful of you, confident that whatever you do and wherever you may go, you will always demonstrate to those about you that you have sat at the Master's feet.

PRINCIPAL'S MESSAGE

Mr. JOHN BROWER
Principal
A.B. Calvin College
M.A. University of Michigan

John Brower

Seniors;

Within a short time after this year's Torch has appeared, your four years of Christian High School education will have come to an end. They have been four years of mixed experience for you - all of which has contributed to your Christian character development.

A new world of experience and challenge will be opening before you after you have completed your stay here. Your years of learning will be put to use in your chosen field. You'll be entering the stream of adult living to carry forward the thoughts, principles, and ideals which have been entrusted to you.

There are a few things we ask you to remember after you leave here. Remember the goals and aims that were laid before you in the classroom. Remember your teachers, and especially the thought and learning they tried to leave with you. Remember also that the prayers and best wishes of the faculty, the board, and your parents go with you always.

In whatever field or vocation you choose, remember that you are one of God's and that you have been entrusted with certain talents by Him. We expect you to use those talents in His service, regardless of your field of work. May God bless you to that end.

We'll miss you in these halls, and yet we'll be happy with you in your new opporutnity to serve God and your fellow men.

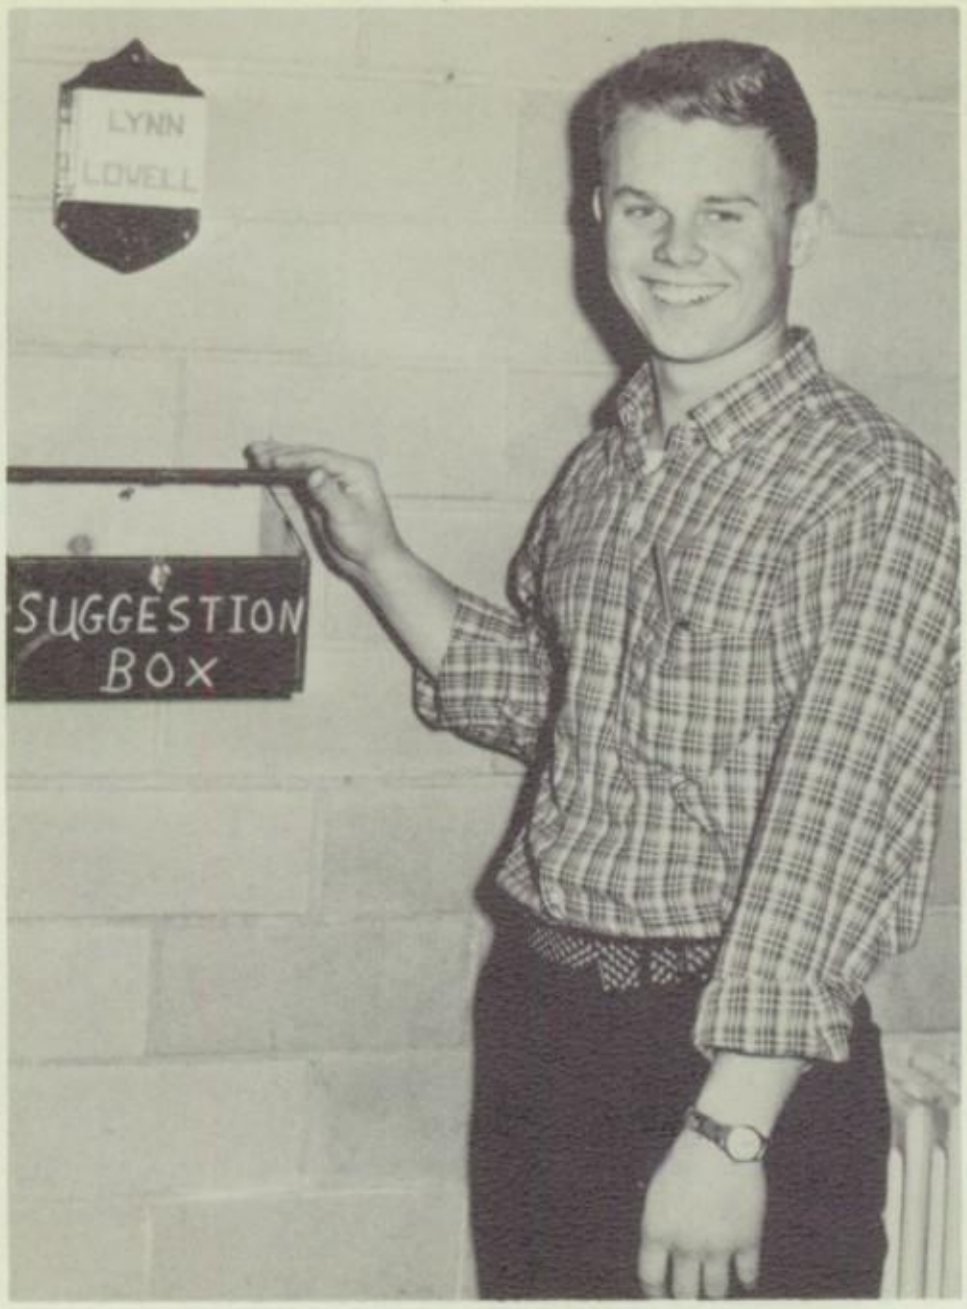
STUDENT COUNCIL



Dan Smith, President

The Student Council is comprised of 3 regular and 1 alternate member from each of the high school classes. Thier function is to plan and regulate certain student activities such as school parties, assemblies, and other projects. This year, under the sponsorship of Mr. Brouwer, the Council has played an important part in the governing of the school activities.

Acting as a mirror reflecting the student life and activites of DCHS, the SCRIPT monthly has been carrying out the traditional roll assigned to it. This extracuriculas activity is solely student managed. The Staff, consisting of students from grades ten to twelve, is headed by an elected editor, who appoints the other editors. The newspaper has been financied partially by subscriptions, but primarily by special projects such as a roller skating party and hot lunch sales.

It's All Over

After 7 months of late meetings, sleepless nights, and strained nerves this year's Torch staff has finally completed it's task. However, it was worth all the time and effort when the completed annuals finally arrived. Our faculty sponsor this year was Mr. Brouwer.
